

# Brown Envelope

Aaron Dillon

Well I'm so good and talking  
I know all the big wig words  
Educated mad men born to rule the world  
Of all the words I know  
There's only one I need  
The only one I heed is greed

So leave me a note  
In a brown envelope  
And I'll happily oblige  
Happily oblige

When I was a young boy  
I was nurtured and I was fed  
They filled up my open mind  
Closed mindedness instead  
How I've come a long way  
A long way from where I'm from  
They've given me a promotion now  
So I can drop the bomb

Leave me a note  
In a brown envelope  
And I'll happily oblige  
Happily oblige

Now I'm happy killing  
Drilling, oil spilling  
Sinning, then spinning  
Chasing younger women  
Well I got the shock of my life  
When I heard that my wife  
Took all it is I earn  
Ran away with my intern

Leave me a note  
In a brown envelope  
And I'll happily oblige  
Happily oblige

Well I'll take away your liberties  
And I'll empty out your soul  
There's no hiding from me  
In the masses I control  
And I've got my henchmen  
They know to toe the line  
You know I'll get away with it  
There's no time for corporate crime

Leave me a note  
In a brown envelope  
And I'll happily oblige  
Happily oblige

During my inauguration  
I lied to the nation  
About all the dreams we're chasing  
Because that's my vocation  
My name is not democracy  
My aim is not to serve  
My name it is tyranny  
Judgement Day is what I deserve

And I'm working for the devil  
And he works for me  
He works for the love of it  
But I won't work for free  
There's one word I don't understand  
It's in your dictionary  
T-R-U-T-H spells bullshit to me

Leave me a note  
In a brown envelope  
And I'll happily oblige  
Happily oblige
