

View Of The Rain

Urge Overkill

I don't try anymore, 'cause only booze improves with age
I don't fight anymore, but sometimes my fists clench up in rage
And I don't cry anymore, but sometimes my skies get cloudy
And sometimes them clouds rain down upon a dream
But I don't mind anymore 'cause now my mind is wasted on a dream
Take a walk upside yourself
Get to know the person behind the face
Is it someone you can really love?
Is it someone who looks down from above?
With a view of the rain, rain
I don't smile anymore, too many smiling faces lie
I don't pray anymore 'cause too many of God's children die, yes they do
And I don't love anymore, you said you knew where love is
I never knew where you was coming from, but I don't mind anymore
'Cause now my mind is wasted on a dream, mind wasted on a dream
You've got to take a walk beside yourself
Get to know the person behind the face
Is it someone you can really love?
Is it somebody who looks down from above?
With a view of the rain, rain, view of the rain
Take a walk upside yourself
Get to know the person behind the face
Is it someone you can really love?
Is it somebody who looks down from above?
With a view of the rain, rain, view of the rain
View of the rain, view of the rain, view of the rain
