

Enough (Not to Us Album Version)

[Chris Tomlin](#)

All of you is more than enough for all of me
For every thirst and every need
You satisfy me with Your love
And all I have in You is more than enough You are my supply
My breath of life
And still more awesome than I know
You are my reward
worth living for
And still more awesome than I know All of you is more than enough for all of me
For every thirst and every need
You satisfy me with Your love
And all I have in You is more than enough You're my sacrifice
Of greatest price
And still more awesome than I know
You're my coming King
You are everything
And still more awesome than I know
