Bebe Le Strange

Heart

Got to be you reading my letter
Not your hired hand
I don't know how to say it no better
I love you and the band
Never heard rockin' like you could
Or howlin' like you can
Well it gets me thinkin' of 'Johnny B Goode'
You know you ain't no man
When I heard you play I knew your
Name should be changed
We're all dog panicked and you are to blame
Everybody ought to call you
Bebe Le Strange
You look so insane
We gave you a name
Bebe Le Strange
I wish I knew what you're really like
A touch so shy and fine
But the way you move with that guitar
Just gives me other signs
Here's my number give me a sign
Call me back if this gets through
I said, Bebe, oh Bebe, Bebe
I'd never say no to you
When I heard your song I knew your
Name should be changed
Everybody ought to call you
Bebe Le Strange
Under my skin you've got my mind rearranged
You're so insane, Bebe's so strange
Bebe Le Strange
