Raise a Symphony

Twin Atlantic

Well here are the facts,
I don't like how you walking,
I don't like how you talking,
Relax, it's all in my head,
I got the jumped up mission of a lover, with the power to ask,
Do you even notice me that way?
Do you even notice the things I say?
Get down and stay down, with me forever
We won't speak, we won't sleep,
Stay young forever,
Oh oh oh oh oh...
It's fun to pretend that I'm an animal like you,
A student fighting freedoms for trends,
And I'd riot on tax, or I'm a violent idiot walking down the street,
It's a fact,
Do you even notice me that way?
Do you even notice the things I say?
Get down and stay down, with me forever
We won't speak, we won't sleep,
Stay young forever,And I want you to raise a symphony,
Listen to me, listen to me,
Oh oh oh oh oh...Do you even notice me that way?
Do you even notice the things I say?
Get down and stay down, with me forever
We won't speak, we won't sleep,
Stay young forever,
And I want you to raise a symphony,
Listen to me, listen to me,
Listen to me, listen to me,
Oh oh oh oh oh...
