# One Fix

## Dope

About time, I don't care how you've been
I know, you've got and I want it
Long night and I don't want it to end
I'm glad to see you coming
Well, I know what they think they do
Say no is what they'll say to
It's my dope, so what's it to you
Well, I know what I would do
For one fix, like this
It's my trip and it don't mean shit
One fix with my bitch
And I'm lit and I'll get my kicks
One fix
Long drive in front of me
My steering wheel is breathing
Well, I'm high on everything
To bring me down, I'm drinking
Well, oh, no, the cops may nail you
Yeah, so, I've been to jail too
So low, what can I tell you
Who knows just what I'd do
For one fix, like this
It's my trip and it don't mean shit
One fix with my bitch
And I'm ripped and I'll get my kicks
One fix
Well for one fix, like this
It's my trip and it don't mean shit
One fix with my bitch
And I'm lit and I'll get my kicks
One fix
