

Eat Yourself (Yeastayer Remix)

Goldfrapp

If you don't eat yourself
No doubt the pain will instead
You could longer life
Seen it on that land
You went south on the train
She wore plastic boots for rain
And you crawl along exhausted
No sense do you like this
Crawling Who will I be when I'm with you again
Silver jet in the sky
You are the pain
Got a song, got to sing
For life If you don't eat yourself
No doubt the pain will instead
If you don't eat yourself
You will explode instead Cause I love love you so
When I know you don't love me
You who laughs alone
Get wicked, did it come
