Get Your Redneck On

Krystal Keith

Muddy bank between my toes
Kicking back while the river flows
Wherever the hell it goes
I don't really care to know
I just wanna hear a country song
And get my redneck onGot a beer in both my hands
Hanging out with my closest friends
Talk 'bout our favorite bands
No worries and no plans
All the way to the break of dawn
Get your redneck onHey yeah yeah yeah
Skinny dipping in the moonlit water
Cooling off doesn't get any hotter
Hey yeah yeah yeah
All you country sons and daughters
Don't you wanna holler
Get your redneck onCarharts and Wrangler jeans
On the branches of an old oak tree
Pass that shine to me
I wanna get a little crazy
We ain't doing a damn thing wrong
So get your redneck onHey yeah yeah yeah
Skinny dipping in the moonlit water
Cooling off doesn't get any hotter
Hey yeah yeah yeah
All you country sons and daughters
Don't you wanna holler
Get your redneck onHey yeah yeah yeah
Skinny dipping in the moonlit water
Cooling off doesn't get any hotter
Hey yeah yeah yeah
All you country sons and daughters
Don't you wanna holler
Get your redneck onHey yeah yeah yeah
Get your redneck on
Get your redneck on
Hey yeah yeah yeah
Get your redneck on
