

Between Here and There

Kurt Carr & The Kurt Carr Singers

"Between Here And There" Traveling this journey through life I experienced the thrill - of victory
Sometimes the path that I traveled has taken a curve that led to defeat
But while I was walking the tedious journey
There were two things that kept - my sanity
My prayer and my praise - My praise and my prayer I thank God for praise and I thank God for prayer
That's what sustained me Yes that's how I made it - through the difficult seasons
Between here and there
There will be days in your life
When it seems like the storm cloud -- is following you
Then there'll be days when it seems like God's favor is shining
on everything you do
You will have ups and downs on life's journey
There are two things that will keep your sanity
Your prayer and your praise - Your praise and your prayer I thank God for praise and I thank God for prayer
That's how I made it - through the difficult seasons
Between here and there Between here and there
Between here and there
A whole lot of things came to test me
Thank God, He kept me between here and there
Between my mountain top - experiences
And my valleys of dark - despair
I thank God for praise and I thank God for prayer
That's how I made it - through the difficult seasons
Between here - and - there Jesus right there - Carrying me - Right there Between my mountain top - experiences
And my valleys of dark - despair
I thank God for praise and I thank God for prayer
That's how I made it - through the difficult seasons
Between here and there
