

# The Sound Of The Suburbs

## The Members

Same old boring Sunday morning,old men out washing their cars  
Mum"s in the kitchen cooking sunday dinner,Herberts still moaning for  
foodAnd Johnnys upstairs in his bedroom sitting in the dark  
Annoying the neighbours with his punk rock electric guitar

This is the sound,This is the sound of the suburbs

This is the sound of the suburbsRock groups just wanna be free,yeah they want ANARCHY!

The drums are quite good,the bass is too loud and I can"t hear the  
words

This is the sound of the suburbs- until the end where it goes
