Reefer Man

Cab Calloway

Man, what's the matter with that cat there?
Must be full of reefer
Full of reefer?
Yeah man
You mean that cat's high?
Sailing, SailingSailing lightly
Get away from here
Man is that the reefer man?
That's the reefer man
I believe, he's losin' his mind
I think, he's lost his mindOh, have you ever met that funny reefer man?
(Reefer man)
Have you ever met that funny reefer man?
(Reefer man)If he said, he swam to China
And he sell you South Carolina
Then you know
You're talkin' to that reefer manHave you ever met funny reefer man?
(Reefer man)
Have you ever met funny reefer man?
(Reefer man)If he said, he walks the ocean
Any time he takes the notion
Then you know
You're talkin' to reefer manHave you ever met this funny reefer man?
(Reefer man)
Oh baby baby baby reefer man
(Reefer man)If he trades you dimes for nickels
And calls watermelon's pickles
Then you know
You're talkin' to that reefer manHave you ever met funny reefer man?
(Reefer man)
Have you ever met funny reefer man?
(Reefer man)If he takes a sudden mania
He'll want to give you, Pennsylvania
And you know
You're talkin' to the reefer manHave you ever met funny reefer man?
(Reefer man)
Have you ever met funny reefer man?
(Reefer man)If he said, one sweet is funny
Because, he won't sell me Atlantic

Then you know
You're talkin' to that reefer man
