Be My Forever (feat. Ed Sheeran)

Christina Perri

We're on top of the world
We're on top of the worldÂ now darling so don't let go
Can I call you mine
So can I call you mine now darling
For a whole lot of time
My heart finally trust my mind
And I know somehow it's rightAnd oh we got time, yeah
So darling just say you'll stay
Right by my side
And oh we got love, yeah
So darling just swear you'll stand right by my sideWe're on top of the world
We're on top of the world now darlingÂ so don't let go
Hmm, I've got something to say
You're perfect in every way,Â I'm gonna shout it out
I'm wanna tell you now
'Cause I know somehow it's rightAnd oh we got time, yeah
So darling just say you'll stay right by my side
And oh we got love, yeah
Darling just swear you'll stand right by my sideBe my forever
Be my forever
Be my foreverBe my forever
Be my forever
Be my foreverYou're my bright blue sky
You're the sun in my eyes
Oh baby you're my life
You're the reason whyWe're on top of the world
We're on top of the worldÂ now darling so don't let go
(1, 2, 3, 4)And oh, we got time
Yeah, we got love
So darling just swear you'll stay right by my side
Oh, and we got love, yeah
So darling just swear you'll stand right by my sideBe my forever
Be my forever
Be my foreverBe my forever
Be my forever
Be my foreverWill you love me forever?
I'll love you forever
Be my foreverBe my forever
Be my forever

Be my forever
