

# Breakin' the Law

N2U

Whatchu doin' right now?  
I'mma come pick you up  
Yeah, let's go for a ride  
We're gonna break the law Tryna do sixty five, baby but cha body won't let me  
Cause you're so damn tight  
And I wanna cross the double line  
But the last time that I did it, I got myself a ticket girl Cause baby girl I don't mind  
(I'mma take my chances)  
If I'm caught I'll pay the fine  
(Deal with the circumstance)  
Cause if the judge only knew  
(If he know what I knew)  
I know, he'd wanna ride wit chu, ooh We're breakin' the law tonight so don't be scared  
And we're settin' it off tonight, it's 'bout to go there  
We might do some time if they catch us, we'll be high-speed chasin'  
Till ya body's makin' movin' violations We're breakin' the law tonight that's what we gon' do  
So don't worry 'bout traffic lights, we breezin' right through  
I got my story, you're my alibi  
So we're breakin' the law tonight, we'll be breakin' the law This time I'm gon let you drive  
Just pump them brakes, we can swerve, double round them curves  
Cause tonight, we're gonna take a ride, baby  
Ride, ride, ride it, ride it, ride, let me ride Cause baby girl I don't mind  
(I'm gonna take my chances baby)  
If I'm caught I'll pay the fine  
(There'll be circumstances, circumstances)  
Cause if the judge only knew  
(If the judge only knew)  
I know, he'd wanna ride wit chu  
(He'd wanna ride wit chu oh) We're breakin' the law tonight so don't be scared  
And we're settin' it off tonight, it's 'bout to go there  
We might do some time if they catch us, we'll be high-speed chasin'  
Till ya body's makin' movin' violations We're breakin' the law tonight that's what we gon' do  
So don't worry 'bout traffic lights, we breezin' right through  
I got my story, you're my alibi  
So we're breakin' the law tonight, we'll be breakin' the law Girl you know I got two strikes, one more time then  
I'll be doin' life girl  
I'm on probation for the last time  
But what you got will make me wanna do the crime  
You know I've been drivin' for awhile I ain't never had nothin' like this

I wanna stop it up

(Yeah)

I wanna tear it up

(Yeah)

So get ready for the time of your life We're breakin' the law tonight so don't be scared

And we're settin' it off tonight, it's 'bout to go there

We might do some time if they catch us, we'll be high-speed chasin'

Till ya body's makin' movin' violations We're breakin' the law tonight that's what we gon' do

So don't worry 'bout traffic lights, we breezin' right through

I got my story, you're my alibi

So we're breakin' the law tonight, gonna breakin' the law Yeah, [?] break the law

Whatchu doin' right now?

Let's go for a ride
