Breakin' the Law

N₂U

Whatchu doin' right now?

I'mma come pick you up

Yeah, let's go for a ride

We're gonna break the lawTryna do sixty five, baby but cha body won't let me

Cause you're so damn tight

And I wanna cross the double line

But the last time that I did it, I got myself a ticket girlCause baby girl I don't mind

(I'mma take my chances)

If I'm caught I'll pay the fine

(Deal with the circumstance)

Cause if the judge only knew

(If he know what I knew)

I know, he'd wanna ride wit chu, oohWe're breakin' the law tonight so don't be scared

And we're settin' it off tonight, it's 'bout to go there

We might do some time if they catch us, we'll be high-speed chasin'

Till ya body's makin' movin' violationsWe're breakin' the law tonight that's what we gon' do

So don't worry 'bout traffic lights, we breezin' right through

I got my story, you're my alibi

So we're breakin' the law tonight, we'll be breakin' the lawThis time I'm gon let you drive

Just pump them brakes, we can swerve, double round them curves

Cause tonight, we're gonna take a ride, baby

Ride, ride, ride it, ride it, ride, let me rideCause baby girl I don't mind

(I'm gonna take my chances baby)

If I'm caught I'll pay the fine

(There'll be circumstances, circumstances)

Cause if the judge only knew

(If the judge only knew)

I know, he'd wanna ride wit chu

(He'd wanna ride wit chu oh)We're breakin' the law tonight so don't be scared

And we're settin' it off tonight, it's 'bout to go there

We might do some time if they catch us, we'll be high-speed chasin'

Till ya body's makin' movin' violationsWe're breakin' the law tonight that's what we gon' do

So don't worry 'bout traffic lights, we breezin' right through

I got my story, you're my alibi

So we're breakin' the law tonight, we'll be breakin' the lawGirl you know I got two strikes, one more time then

I'll be doin' life girl

I'm on probation for the last time

But what you got will make me wanna do the crime

You know I've been drivin' for awhile I ain't never had nothin' like this

I wanna stop it up (Yeah) I wanna tear it up (Yeah)

So get ready for the time of your lifeWe're breakin' the law tonight so don't be scared
And we're settin' it off tonight, it's 'bout to go there
We might do some time if they catch us, we'll be high-speed chasin'
Till ya body's makin' movin' violationsWe're breakin' the law tonight that's what we gon' do
So don't worry 'bout traffic lights, we breezin' right through

I got my story, you're my alibi So we're breakin' the law tonight, gonna breakin' the law Yeah, [?] break the law Whatchu doin' right now? Let's go for a ride
