

# River Runs Deep

[Liz Green](#)

Don't you know that the river runs deep  
The river runs deep, oh the river runs deep Don't you know that it's hard to sleep  
That it's hard to sleep, that it's hard to sleep Don't you know that the river runs deep  
The river runs deep, oh the river runs deep Don't you know that my heart you can keep,  
My heart you can keep, oh my heart you can keep Well you know that the river runs deep  
The river runs deep, oh the river runs deep Don't you know that my heart you can keep  
My heart you can keep, oh my heart you can keep
