

I Still Miss Someone

[Nanci Griffith](#)

At my door the leaves are fallin'
A cold wild wind will come
Sweet hearts walked by together
And I still miss someone I go out on a party
To look for a little fun
But I find a darkened corner
Because I still miss someone Oh, I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there I wonder if she's sorry
For leaving what we begun
There's someone for me somewhere
But I still miss someone Oh, I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there At my door the leaves are fallin'
A cold wild wind will come
Sweet hearts walked by together
And I still miss someone
And I still miss someone
