Just One More Chance

Peggy Lee

It was just one of those things
Just one of those crazy flings
One of those bells that now and then rings
Just one of those thingsIt was just one of those nights
One of those fabulous flights
A trip to the moon on gossamer wings
Just one of those thingsIf we'd thought a bit, of the end of it
When we started painting the town
We'd have been aware that our love affair
Was too hot, not to cool downSo goodbye, bye, bye, bye, dear and Amen
Here's hoping we meet now and then
It was great fun
But it was just one of those thingsIf we'd thought a bit, of the end of it
When we started painting the town
We'd have been aware that our love affair
Was too hot, not to cool downSo goodbye, bye, bye, bye, bye, bye, bye dear and Amen
Here's hoping we meet now and then
It was great fun
But it was just one of those things, just one of those things
Just one of those things, just one of those things
