

# Nasty Letter

Otis Taylor

Somebody wrote me, a nasty letter,  
But they didn't, sign their name  
I think I know, I know who wrote it  
Well I recognize, recognize that hand  
Its getting warm  
Oh so warm  
Its so warm  
On a winters day  
I'm reading backwards, reading backwards,  
On this page  
Hoping to defend  
If the devil come  
I've been wrongly, wrongly accused  
Been wrongly, I've been wrongly,  
I've been wrongly, wrongly accused.
