

# Iâ€™ll Make It Up To You

## Imagine Dragons

Took your heart, took your hand  
Promised you all that I had  
Hoping that you understand  
I'm far from a perfect man 'Cause honey it's been a hard year  
It seems like we're going nowhere  
You're crying inside your bedroom  
Baby I know it's not fair Lay with me, for one more night  
I promise you, I'll make it right I'll make it up to you (You, you)  
Every night, I'll make it up to you (You, you)  
Every night, I'll make it up to you I know you don't understand  
the vices that follow a man  
And in your eyes I can see  
the places that you'd rather be 'Cause honey it's been a hard year  
It seems like we're going nowhere  
You're crying inside your bedroom  
Baby I know it's not fair I'll make it up to you (You, you)  
Every night, I'll make it up to you (You, you)  
Every night, I'll make it up to you In my darkest hour, in the dead of the night I'll make it up to you  
Your hands are mine, I'll make it up to you  
Promises are nothing more than fleeting thoughts  
But you, you are my life babe I'll make it up to you (Every night)  
I'll make it up to you  
Every night, I'll make it up to you (You, you)  
Every night, I'll make it up to you (You, you)  
Every night, I'll make it up to you (You, you)  
Every night, I'll make it up to you
