

# United States of Eurasia (+Collateral Damage)

## Muse

You and me are the same  
We don't know or care who's to blame  
But we know that whoever holds the reins  
Nothing will change  
Our cause has gone insane

And these wars, they can't be won  
And these wars, they can't be won  
And do you want them to go on  
And on and on  
Why split these states  
When there can be only one?

And must we do as we're told?  
Must we do as we're told?

You and me fall in line  
To be punished for unproven crimes!  
And we know that there is no one we can trust;  
Our ancient heroes, they are turning to dust!

And these wars, they can't be won  
Does anyone know or care how they begun?  
They just promise to go on  
And on and on  
But soon we will see  
There can be only one

United States!  
United States!  
Of

Eurasia!  
Sia!  
Sia!  
Sia!

Eurasia!  
Sia!  
Sia!

Sia!

Eurasia!

Sia!

Sia!

Sia!
