## They Don't Care About Us

## **Michael Jackson**

Skin head, dead head

Everybody gone bad

Situation, aggravation

Everybody allegation

In the suite, on the news

Everybody dog food

Bang bang, shot dead

Everybody's gone madAll I want to say is that

They don't really care about us

All I want to say is that

They don't really care about usBeat me, hate me

You can never break me

Will me, thrill me

You can never kill me

Do me, Sue me

Everybody do me

Kick me, strike me

Don't you black or white meAll I want to say is that

They don't really care about us

All I want to say is that

They don't really care about usTell me what has become of my life

I have a wife and two children who love me

I am the victim of police brutality, now

I'm tired of bein' the victim of hate

You're rapin' me of my pride

Oh, for God's sake

I look to heaven to fulfill its prophecy

Set me freeSkin head, dead head

Everybody gone bad

trepidation, speculation

Everybody allegation

In the suite, on the news

Everybody dog food

black man, black mail

Throw your brother in jailAll I want to say is that

They don't really care about us

All I want to say is that

They don't really care about usTell me what has become of my rights

Am I invisible because you ignore me?

Your proclamation promised me free liberty, now I'm tired of bein' the victim of shame

They're throwing me in a class with a bad name
I can't believe this is the land from which I came

You know I do really hate to say it

The government don't want to see

But if Roosevelt was livin'

He wouldn't let this be, no, noSkin head, dead head

Everybody gone bad

Situation, speculation

Everybody litigation

Beat me, bash me

You can never trash me

Hit me, kick me

You can never get meAll I want to say is that

They don't really care about us

All I want to say is that

They don't really care about usSome things in life they just don't want to see

But if Martin Luther was livin'

He wouldn't let this beSkin head, dead head

Everybody gone bad

Situation, segregation

Everybody allegation

In the suite, on the news

Everybody dog food

Kick me, strike me

Don't you wrong or right meAll I want to say is that

They don't really care about us

All I want to say is that

They don't really care about usAll I want to say is that

They don't really care about us

All I want to say is that

They don't really care about usAll I want to say is that

They don't really care about us

All I want to say is that

They don't really care about us
