I'll be there for you

Mt Eden

Na na, na na, na na, na na, na na na
Na na, na na, na na, na na na, I'll be there
Na na, na na, na na, na na, na na na
Na na, na na, na na, na na, na
Saw you this morning with that look in your eyes
I hate to see you lookin' like your lost and lonely
It isn't easy when you're all by yourself
Don't you worry, I hear you 'cause I know what it's like
And if you look you'll find, I got you on my mind
'Cause baby
I'll be there for you when ya need somebody
I'll be there for you when ya want someone who cares
When you're down and feelin' blue, I'll be there
I'll be there for you when ya call me, I'll be there
Na na, na na, na na, na na, na na na
Na na, na na, na na, na na na
I wanna show you how good it will be
Never needed anyone the way I need you right now
You know, you'll never be alone anymore
We can make it together, it's gonna be alright
And if you look you'll find, I got you on my mind
'Cause baby
I'll be there for you when ya need somebody
I'll be there for you when ya want someone who cares
When you're down and feelin' blue, I'll be there
I'll be there for you when ya call me, I'll be there
Na na, na na, na na, na na, na na na
Na na, na na, na na, na na na, I'll be there
Na na, na na, na na, na na, na na na
Na na, na na, na na, na na, na
And if you look you'll find, I got you on my mind
'Cause baby
I'll be there for you
I'll be there for you when ya want someone who cares
When you're down and feelin' blue, I'll be there
I'll be there for you
I'll be there for you when ya need somebody
I'll be there for you when ya want someone who cares
When you're down and feelin' blue, I'll be there

I'll be there for you when ya call me, I'll be there
Na na, na na, na na, na na, na na na
Na na, na na, na na, na na na, I'll be there
Na na, na na, na na, na na, na na na
Na na, na na, na na, na na, na
Na na, na na, na na, na na, na na na
Na na, na na, na na, na na, na na na
Na na, na na, na na, na na, na na na
