Haunted House

Michel Reis

I just moved in my new house today
Moving was hot but I got squared away
When bells started ringing and chains rattled loud
I knew I'd moved in a haunted houseStill I made up my mind to stay
Nothing was a gonna drive me away
When I seen something that gave me the creep
Had a one big eye and two big feetI stood right still and I did the freeze
The thing came strolling up to me
Made a noise with the feet sound like a drum
Saying don't be here when the morning comesSay yes, I'll be here when the morning comes
I'll be right here and I ain't gonna run
I bought this house and you know I'm boss
Ain't no hate gonna run me offIn the kitchen my stove was a blazing hot
The coffee was a boiling in the pot
The grease had melted in my pan
I had a hunk of meat right in my handFrom out of space there sat a man
On the hot stove with the pots and pans
Say that's hot, I began to shout
He drank a hot coffee right from the spoutHe ate the raw meat right from my hand
Drank the hot grease from the frying pan
He said to me, well you better run
And don't be here when the morning comesSay yes, I'll be here when the morning comes
I'll be right here and I ain't gonna run
I bought this house and you know I'm boss
Ain't no hate gonna run me off
