

# The Boys Are Back

## Dropkick Murphys

The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble  
The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble  
The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble  
The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble Standing on the highway 93,  
Im missing my home, and its killing me  
Down the ramp passed the jail, Im feeling alright  
Bought roses for my ladies from a corner  
Its time to get ready for that song and dance  
Lets go my friends, its time to take a chance  
Were back in town, were gonna get it done  
We got nowhere to hide, we got nowhere to run  
Its been a long time coming,  
Its been a long time coming, Chorus:  
The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble  
The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble If that old familiar city could talk in here  
You'd be just another nobody, you'd disappear  
Your days are numbered, were back around  
Were coming for you and youre going down  
Its been a long time coming,  
Its been a long time coming, Chorus:  
The boys are back

The boys are back  
The boys are back  
And they're looking for trouble  
The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble And we're coming for you  
And we're coming for you The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble  
The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble  
The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble  
The boys are back  
The boys are back  
The boys are back  
And they're looking for trouble
