Wizard Sleeve

Diamond Head

Let the papers read
Legends they were made tonightUpon these hallowed streets
Where music is the only right
Miles of laces loved, secret lust and broken hearts
But baby trust these lips cause they can never love too muchWon't you
Be my
SugarCan I come inside your wizard sleeve
I know that you wanna go
Helpless tendencies
Will be breaking bonds tonight
Soaked in salty fire
Take my passion and my pride
Miles of faceless love, budget lust and broken hearts
But baby taste these lips cause they can never love too muchWon't you
Be my
HoneyCan I come inside your wizard sleeve
I know that you wanna goI'll hit this show tonight
Touch your love and make you royal
Through all this broken light
Share the thunder make you boil
These miles of reckless love, open lust and broken hearts
Baby taste these lips cause they can never get enough
Won't you
Be my
LoverCan I come inside your wizard sleeve
I know that you wanna go
