Stand face to face with the younger me

All of the mistakes

All of her heartbreak

Here's what I'd do differently I'd love like I'm not scared

Give when it's not fair

Live life for another

Take time for a brother

Fight for the weak ones

Speak out for freedom

Find faith in the battle

Stand tall but above it all

Fix my eyes on you, on you I learned the lines and talked the talk (Everybody knows that, everybody knows that)

But the road less traveled is hard to walk (Everybody knows that, everybody knows)

It takes a soldier

Who knows his orders

To walk the walk I'm supposed to walk And love like I'm not scared

Give when it's not fair

Live life for another

Take time for a brother

Fight for the weak ones

Speak out for freedom

Find faith in the battle

Stand tall but above it all

Fix my eyes on you, on you The things of Earth are dimming

In the light of Your glory and grace

I'll set my sights upon Heaven

I'm fixing my eyes on you, on you

I'm fixing my eyes on you, on you

I'm fixing my eyes Love like I'm not scared

Give when it's not fair

Live life for another

Take time for a brother

Fight for the weak ones

Speak out for freedom

Find faith in the battle

Stand tall but above it all

Fix my eyes on you, on you

I fix my eyes on you, on you
I fix my eyes on you, on you
