

You're My Everything

Martin Nievera

You're my everything
The sun that shines above you
Makes the blue bird sing
The stars that twinkle way up in the sky
Tell me I'm in love

When I kiss your lips
I feel the rolling thunder to my finger tips
And all the while my head is in a spin
Deep within I'm in love

You're my everything
And nothing really matters
But the love you bring
You're my everything
To see you in the morning
With those big brown eyes
You're my everything
Forever and the day
I need you close to me
You're my everything
You never have to worry
Never fear for I am near

You're my everything
I live up on the land and see the sky above
I swim within the ocean, sweet and warm
There's no storm, my love

You're my everything
No, nothing really matters
But the love you bring
You're my everything
To see you in the morning
With those big brown eyes
You're my everything
Forever and the day
I need you close to me
You're my everything
You never have to worry

Never fear for I am near

When I hold you tight
There's nothing that can harm you
In the lonely night
I'll come to you and keep you safe and warm
Yet so strong, my love

When I kiss your lips
I feel the rolling thunder to my finger tips
And all the while my head is in a spin
Deep within, I'm in love
