Keep Watchin'

Michel'le

1st
You know I'll never understand men, no oh
How they play us girls for short, then they try to place the fault on you
This time I'm speaking candid, yeah ah
Cause I don't think that it's right for them to have their cake and eat it too, so...Keep watchin' (you know you got to keep watchin')
And wanting, because it takes a little more for me to be
attracted than an ego, be original if you want me.2nd
You know it's a bit too much to manage (yeah ah)
They think their God's gift to the world, have his choice of any girl he choose
To me, that's underhanded, when your man has yet to call & you know he's out there doggin' you.Keep watchin' (you know you got to keep watchin')
And wanting, because it takes a little more for me to be
attracted than an ego, be original if you want me.
3rd
(No oh n-n-oh) No oh. He's not what you're thinkin'
When you feel you've had enough & you're ready to give up, just do.
Girl, you don't have to take it from a man, you're not a child
And if you don't want him, just speak the truth.Keep watchin' (you know you got to keep watchin')
And wanting, because it takes a little more for me to be
attracted than an ego, be original if you want me.I've told you time again, I can't deal your lies
How could you tell me this & look me in the eyes?
Everything you said to me was all in your disguise
And if you think that I believed you, you're in for a surprise!!!
(Do do do do do do)BREAKKeep watchin'
And wanting, it takes a little more for me to be
attracted than an ego, be original if you want me.
I've told you time again, I can't deal your lies
How could you tell me this & look me in the eyes?
Everything you said to me was all in your disguise
And if you think that I believed you, you're in for a surprise!!!Yeah ah (yeah ah), oh ho (oh ho), Yeah ah (yeah ah), oh ho (oh ho)
Oh ho oh. You know I'll never understand men
No oh oh no no no no. No oh (no oh), oh oh (oh oh), no oh (oh oh).
Oh, oh, oh.
