I Can Only Give My All

Dean Wareham

He will never be all mine
She says my song's so sad
She's an ever green, a drumm machine
A lonely date, a hello ache
I can only get my allTrouble is, trouble does
She loves me as she can
Can you save the day?
To save my skin
Be the savin' grace a light within
But I can only give my, I, I can only give my all
Where have all the powders gone
Long time gone
She can smell the rain before it rains
She can freeze the pain before it pains
I can only give my, I can only give my
I can only give my all
