

Radio

Hot Chelle Rae

(If you miss me, like I miss you)
I stayed up till 5, last night
Just to say I missed ya
Thank God for free, wifi
And the key to the mini bar
We fell asleep, on Skype
I almost missed my flight You know that, I need ya, I'm out the door
Hasta la vista
One, two, three, four No matter where I'm at, no matter where I go
I'll be singing for you on the radio
Like oh, oh, oh, radio, oh, oh
Well you could be in Nashville, and I could be in France
And here's a little something just to make you dance
Like oh, oh, oh, radio, oh, oh Turn me up all, the way
Pretend I'm right beside you
Like we're on holiday
And pounding to Buck Truck
Yeah I've been everywhere
I've turned the Mona Lisa
And nothing, I'm seeing
Compares to you
'Cause nobody does it, the way you do No matter where I'm at, no matter where I go
I'll be singing for you on the radio
Like oh, oh, oh, radio, oh, oh
Well you could be in Nashville, and I could be in France
And here's a little something just to make you dance
Like oh, oh, oh, radio, oh, oh If you miss me, like I miss you
Through the airwaves, I'ma kiss you
Let's go, oh, oh, radio, oh, oh Everywhere I go, I need ya
Comin' for ya, through the speakers
Right there on the radio
Even when we feel the static
Know our love is automatic
Right there on the radio Hey turn me up, ah ah, can you hear me
Singing to you clearly, even when you ain't near me
Make love through the airways
I hope this song's in your head like hairspray
I hear your friends say I change so they'd hear say
They only say that when they're drunk

So they beer say, anyway
I wrote you this little song because I wish you were with me
I'm callin' up the station, requesting it in your city, girlNo matter where I'm at, no matter where I go
I'll be singing for you on the radio
Like oh, oh, oh, radio, oh, oh
Well you could be in Nashville, and I could be in France
And here's a little something just to make you dance
Like oh, oh, oh, radio, oh, ohIf you miss me, like I miss you
Through the airwaves, I'ma kiss you
Let's go, oh, oh, radio, oh, ohOh, Oh, Oh
Oh, Oh, OhLet's go, oh, oh
Radio, oh, ohOh, Oh, Oh
Oh, Oh, Oh
