Dj Don't Quit

Jasmine Trias

Oh, oh, oh, oh, oh, oh
Rollin' up head on bob, just hit the parking lot
Can't wait to hit the spot, music is blazin' hot
Late but we wide awake, feelin' that 808
Like how them speakers shake, just like an earthquake
We just came to party
We really don't wanna hurt nobody
Just come on, come on, just come on, come on and
Go, go get it, get it, DJ hit it, keep it spinnin'
DJ don't quit, pump in, this, this
(Oh, oh, oh, oh, oh, oh)
Ladies, fellas, we gonna rock it and pop it
And drop it, long as the DJ don't stop it
Soon as we hit the door
Everyone on the floor
Move till you can't no more
Girlies, let's take it low
DJ pump up this jam
People put up them hands
Get all up on your man
And do your favorite dance
We just came to party
We really don't wanna hurt nobody
Just come on, come on, just come on, come on and
Go, go get it, get it, DJ hit it, keep it spinnin'
DJ don't quit, pump in, this, this
(Oh, oh, oh, oh, oh, oh)
Ladies, fellas, we gonna rock it and pop it
And drop it, long as the DJ don't stop it
Uh yeah uh, hot
Uh yeah uh, hot
Uh yeah uh, hot
DJ, DJ, DJ, DJ, DJ don't quit, oh, oh, oh, oh
Pumpin' this
(Pumpin', pumpin')
(Oh, oh, oh, oh ,oh)
Ladies, fellas, we gonna rock it and pop it
(Rock it, pop it)
And drop it, long as the DJ don't stop it

DJ don't quit, pump in, this, this
(Oh, oh, oh, oh, oh, oh)
Ladies, fella,s we gonna rock it and pop it
And drop it, long as the DJ don't stop it
DJ don't quit, pump in, this, this
(Oh, oh, oh, oh, oh, oh)
Ladies, fellas, we gonna rock it and pop it
And drop it, long as the DJ don't stop it
Uh oh uh uh, hot, uh, yeah, uh, hot
Uh, yeah, uh, hot
Rockin' and pumpin' and droppin', long Mr. DJ
