

# Give Me Words

Aaron Shust

Calloused and bruised  
Dazed and confused  
My Spirit is left wanting something more  
My selfish hopes and my selfish dreams  
I'm lying with my face down on the floor  
Cryin out for more

Cryin out for more

So give me words to speak  
Don't let my spirit sleep  
Cuz I can't think of anything worth saying  
But I know that I owe you my life

Give me words to speak  
don't let my spirit sleep

Every night, every day  
I find that I have nothing I can say  
So I stand here in silence  
Awaiting Your guidance  
I'm wanting only Your voice to be heard  
Let'm be Your Words

Let'm be Your Words

Give me words to speak  
don't let my spirit sleep  
Cuz I can't think of anything worth saying  
But I know that I owe you my life  
So Give me words to speak  
don't let my spirit sleep

I just don't understand this life that I've been living  
I just don't understand, I just don't understand  
I just don't understand, These lies I've been believing  
I just don't understand, I just don't understand

So give me words to speak  
Don't let my spirit sleep

Cuz I can't think of anything worth saying  
But I know that I owe you my life  
So Give me words to speak  
don't let my spirit sleep

Give me words to speak  
Don't let my spirit sleep  
Cuz I can't think of anything worth saying  
But I know that I owe you my life  
So Give me words to speak  
Don't let my spirit sleep  
I know, I know I owe You my life  
All my life, All my life  
I know I know I owe You my life  
All my life, All my life
