This Is Hardcore

Pulp

You are hardcore, you make me hard You name the drama and I'll play the part It seems I saw you in some teenage wet dream I like your getup if you know what I meanI want it bad, I want it now Oh, can't you see I'm ready now I've seen all the pictures, I've studied them forever I wanna make a movie so let's star in it together Don't make a move 'til I say, "Action"Oh, here comes the hardcore life Put your money where your mouth is tonight Leave your makeup on and I'll leave on the light Come over here, babe and talk in the mic Oh yeah, I hear you now, it's gonna be one hell of a nightYou can't be a spectator, oh no You got to take these dreams and make them whole Oh, this is hardcore, there is no way back for you Oh, this is hardcore, this is me on top of you And I can't believe that it took me this long That it took me this longThis is the eye of the storm It's what men in stained raincoats pay for But in here it is pure, yeahThis is the end of the line I've seen the storyline Played out so many times beforeOh, that goes in there And then it's overOh, what a hell of a show But what I want to know What exactly do you do for an encore? 'Cos this is hardcore
