

# A Single Girl

[Sandy Posey](#)

The single girl all alone in a great big town  
The single girl gets so tired of love lettin' her down  
The life's unreal and the people are phony  
And the nights can get so lonely  
The single girl needs a sweet lovin' man to lean on I'm a single girl wonderin' if love could be passin' me by  
I'm a single girl and I know all about men and their lies  
Nobody loves me 'cause nobody knows me  
Nobody takes the time to go slowly  
The single girl needs a sweet lovin' man to lean on I gotta make my own way  
There's rent I gotta pay  
I need a night-time love  
To get me through the day I'm a single girl all alone in a great big town  
I'm a single girl and I get so tired of love lettin' me down  
But there's a man I've yet to know  
Waiting somewhere I've yet to go
