Walls

Backyard Babies

I don't believe you
So I'm going far away tonight
I've been mistreated
I'm going nowhere in the speed of lightBut I know you're fakin', I'm captured inside
And even if sometimes you blew up my mind
And now the walls can talk to meYou've been awaited
It's been so long since I drew the line
Right here in the wasteland
I'm at the place where the sun don't shineBut I know you're fakin', I'm captured inside
And even if sometimes you blew up my mind
And now the walls can talk to me
All of my prayers are knockin' me dead
God knows I'm crazy but that didn't stop me
We've been together through hell and high water
This time is different, the walls can talk to meI saw the demon
I'm under a blood-drained blazing knife
Which way will you lead me?
We can't beat that feeling and we're down for lifeBut I know you're fakin', I'm captured inside
And even if sometimes you blew up my mind
And now the walls can talk to meAll of my prayers are knockin' me dead
God knows I'm crazy but that didn't stop me
We've been together through hell and high water
This time is different, the walls can talk to me
Yeah, now the walls can talk to me
But I know you're fakin', I'm captured inside
And even if sometimes you blew up my mind
And now the walls can talk to meAll of my prayers are knockin' me dead
God knows I'm crazy but that didn't stop me
We've been together through hell and high water
This time is different, I know I can make it
None of your prayers can fuck with my head
I know I'm hazy but I can't be bothered
We've been together through hell and high water
But this time is different, the walls can talk to...
me!
