Are You Ready (For Some Darkness)

Turbonegro

Are you ready for some darkness Are you ready for some fun? Do you wanna touch the right tonight Or do you want to grab your hat and run? Are you ready for the void? Do you wanna lose your mind tonight Do you wanna be a denim boy? Are you ready for the nighttimeAre you ready for the booth? Do you wanna suck the goat tonight And do you want the right to stay? Or is it way to much? Too much for you to touch? You want it, you got it But you never paid for this Are you ready for some darknessAre you ready for the show? Do you wanna feel the heat tonight Or do you wanna hit the road? Do you really wanna get itOr do you wanna shut the door? Do you really wanna call it a day Or do you want some more? Are you ready for the pantherAre you, are you ready for the light? Do you wanna buzz the buzz again And are you, are you ready for the fight?
