# Don't Stop Movin'

## The Outhere Brothers

Don't stop moving to the boogie woogie beat
Don't stop moving to the boogie woogie beat
(Yeah, c'mon)
Don't stop moving to the boogie woogie beat
Don't stop moving to the S Club beatDJ got the party started, there's no end in sight
Everybody's moving to the rhythm that's inside
It's a crazy world but tonight's the right situation
Don't get left behindI can feel the music movin' through me everywhere
Ain't no destination, baby, we don't even care
There is a place to be if you need the right education
Let it take you thereAnd just go with the magic, baby
I can see it there in your eyes
(I can see it there in your eyes)
Let it flow, stop the waiting
Right there on the dance floor is where you gotta let it goDon't stop movin', can you feel the music
DJ's got us goin' around, 'round
Don't stop movin', find your own way to it
Listen to the music takin' you to places
That you've never been before, baby nowDon't stop moving to the boogie woogie beat
Don't stop moving to the S Club beatYou can touch the moment, almost feel it in the air
Don't know where we're goin', baby, we don't even care
Ain't no mystery, just use your imagination
Let it take you thereAnd just go with the magic, baby
I can see it there in your eyes
(I can see it there in your eyes)
Let it flow, stop the waiting
Right there on the dance floor is where you gotta let it goDon't stop movin', can you feel the music
DJ's got us goin' around, 'round
(Don't stop movin')
Don't stop movin', find your own way to it
Listen to the music takin' you to places
That you've never been before, baby nowDon't stop moving to the boogie woogie beat
Don't stop moving to the boogie woogie beat
(Yeah, c'mon)
Don't stop moving to the boogie woogie beat
(Don't stop moving)
Don't stop moving to the S Club beatForget about your fears tonight
Listen to your heart, let's just touch the sky
(Listen to your heart)

No need to reason why
Just listen to the sound and it make you come aliveDon't stop movin', can you feel the music
DJ's got us goin' around, 'round
(Don't stop moving)
Don't stop movin', find your own way to it
Listen to the music
(Yeah yeah yeah)Don't stop movin', can you feel the music
DJ's got us goin' around, 'round
(Don't stop moving)
Don't stop movin', find your own way to it
Listen to the music takin' you to places
That you've never been before, baby nowDon't stop moving to the boogie woogie beat
Don't stop moving to the boogie woogie beat
Don't stop moving to the boogie woogie beat
Don't stop moving to the S Club beat
