

Yin Yang

USS (Ubiquitous Synergy Seeker)

All I all I all I really really really wanna say
Is what the f*#k today
All I all I all I really really really wanna do
Is grind up next to you
All evergreen, no histamine
All I all I all I really really really wanna do
Is zag along with you I got infinite ammunition
Coming out the yin yang
I got limitless stealth positions
Extract the champion
Extract the champion All I all I all I really really really wanna say
Is junga lunga lay
All I all I all I really really really wanna do
Is post up next to you
All trampoline, no submarine
All I all I all I really really really wanna do
Is bounce around with you I got infinite ammunition
Coming out the yin yang
I got limitless stealth positions
Extract the champion
Extract the champion
