Heart in the Air

Maddie Rey

(verse 1)
People take their heart in their hands, itâ€™s like they donâ€™t even need it. (Need it.)
So much pain inside to think that even Jesus can heal it. (Heal it.)
But He can take the worst plan from the worst man, turn it into a dance;
Trust me, Iâ€™ve seen it! (Oh, Iâ€™ve seen it!
Itâ€™s why I spent my whole life in the church, I thought you heard that Iâ€™m never leaving.
(Leaving.)

(Pre-Chorus)
Cause the Spirit takes me up, up, up, I can feel it, feel it, feel it all over me, hey!
When Iâ€™m feeling like my heartâ€™s about to stop, thatâ€™s when I gotta push Him up, lift Him up.

(Chorus)
I put my heart in the air!!
I put my heart in the air!!
Cause no one can repair my heartaches, my failures, my worries, my cares
Like the One thatâ€™s up there!
Jesus keeps my heart beating. (Yeah!)
He keeps my spirit breathing. (Letâ€™s go!)
I keep on believing Heâ€™s the King;
I put my heart in the air!!
I put my heart in the airâ€¦.
Letâ€™s go!

(verse 2)
This generation is for You, we love You, proclaiming You Jesus!
Weâ€™ll carry Your torch and weâ€™ll make sure that it stays lit for Jesus!
Letâ€™s cheer His Name, bring His fame in the game, come on, letâ€™s sing it, oh for Jesus!
Wonâ€™t compromise, to your surprise youâ€™ll find Jesus all in my lyrics.
I keep the name in it, donâ€™t get offended because itâ€™s written clear as day in the Scriptures.

(Pre-Chorus)
Cause the Spirit takes me up, up, up, I can feel it, feel it, feel it all over me, hey!
When Iâ€™m feeling like my heartâ€™s about to stop, thatâ€™s when I gotta push Him up, lift Him up.

(Chorus)
I put my heart in the air!!
I put my heart in the air!!
Cause no one can repair my heartaches, my failures, my worries, my cares
Like the One thatâ€™s up there!

Jesus keeps my heart beating. (Yeah!)
He keeps my spirit breathing. (Letâ€™s go!)
I keep on believing Heâ€™s the King;
I put my heart in the air!!
I put my heart in the airâ€¦.

(Ending x6)
Iâ€™m letting go,
Come take control,
My heartâ€™s in the air,
Arrest my soul
