

Amendments

Neno Calvin

Yeah, Calvino.
G-code. Beast mode.
Yeah, look,

First amendment never right at all.
Second one never trust a broad.
Third one put the money first.
Forth one try to hide the hurt.

Fifth amendment woe just keep it pimpin, you could never have enough bitches. Different bitches come with different motives, all the good ones; gotta keep em closer.

Sixth amendment never cross your round, if you get cross then go gun em down. Headshot yeah sit em down.
Uptown nigga living wild.

Seventh amendment keep God first. This aint my work man this God work. Lil bitty and me put in hard work.im thankful man look how the Lord work.

Eighth amendment never pillow talk. woadie
you know how them bitches talk. 2012 man i took a loss. Still to this day man im still a boss.

Ninth amendment keep the gun with you. Scotty pimpin in a clear woa. Why you muggin, what this hittin for. If you want beef we can get it on.

Tenth amendment better value life. Know you cant get this shit back at all. So if you want jump off that porch and come beef with a nigga, im shootin at all of yall.

Eleventh amendment just mind yo business. This clip i got yea it hold scotty pimpin. i dont got no time i cant spare a minute. Im hustlin for me, i wont spare a penny.

Twelfth amendment better watch all the niggas around you. Jealousy real, man them niggas they'll down you. Set you up bake a cake quick, turn your brain into cake mix. go to your funeral bury you man thats so crucial and bet they won't say shit.

Thirteen, never let a nigga know where yo spot at. Next thing you know, you take a trip, then that lil nigga he got that. Lookin at you as a prospect, nigga bouta rob you probably, So i gotta keep the glock yeah. My momma got it when im not there.

Fourteenth amendment you gotta fuck all of your hoes with a passion to make em love you.

Fifteenth amendment just take care yo business. Them hoes aint important just get the money.

Sixteenth amendment just keep it silent. Never never never touch a profit.~—3

Seventeenth amendment beef aint never squashed. If you catch a op, ??? im on the squad. if he caught you slippin, he'll do the same. Never spare a nigga even if he lame.

This my amendment ~—3

Amendment.

Yeah, yeah, yeah.

Amendment.

This my amendment.

Amendment.

Just listen.
