

Lick Doo

Kyuss

Feed my lungflower seed,
You are gone and now I'm free (I'm free - yeah),
Strip me down to nothing,
Fuck me will free the vulture (make it fly), Burning my brain and burning my teeth (in the sun),
100Å™ and burning my need (make it fly),
Live the love that I have for you,
Taking you life for want you (free)

Songwriters

Homme, Joshua Michael
