

Hunger for the Great Light

Dave Matthews Band

Oh great light of love
Oh great light of love
Oh great light of love
Oh great light of love Here you go, you dirty girl
Good God, try to love, try to, oh
God's love is alive inside you
You know who needs you I wanna be your hunger
I wanna see you open wide
And when I go down for you
I wanna blow your mind It's my aim to kill you
My aim to love you You and I are such a pretty thing
Smile, smile, you know you thrill me
Cross your heart, oh, and hope to die
You know I'd love to I wanna be your hunger
I wanna see you open wide
And when I go down for you
I wanna blow your mind You and I, oh, oh
Shine, shine Oh great light of love
Oh great light of love
Oh great light of love
Oh great light of love You come, it's like an answered prayer
Praise God, try to love, try to, oh
I have the little death's delight
Mmm, oh, I love you I wanna be your hunger
I wanna see you open wide
And when I go down for you
I wanna blow your mind You, you, hey you
You, you and I
You, you, oh
