

Hollywood's Not America

Ferras

Born Helena Jane
With a restless soul
She moved west to California
Became a centerfold But once you change your name
Well the pieces fall
Now she hardly recognizes herself at all And theres never any rain, when you want it
A hollow little game, and youve won it
Looking for a thrill but youve done it all So long, put your blue jeans back on girl
Go home
Remember Hollywoods not America
So long, put your blue jeans back on girl
Go home
Remember Hollywoods not America
Oh yea And everybody here's from somewhere else
You could make a million dollars, but you might lose yourself
And you can take the heat, will your heart go cold?
They say actings just pretending, but even that gets old And theres never any rain, when you want it
A hollow little game, and youve won it
Looking for a thrill but youve done it all So long, put your blue jeans back on girl
Go home
Remember Hollywoods not America
So long, put your blue jeans back on girl
Go home
Remember Hollywoods not America And I know what to do when
I know that you
You can be anything you want to be So long, put your blue jeans back on girl
Go home
Remember Hollywoods not America
So long put your blue jeans back on girl
Go home
Remember Hollywoods not America
Hollywoods not America
Its not America
