Hollywood's Not America

Ferras

Born Helena Jane

With a restless soul

She moved west to California

Became a centerfoldBut once you change your name

Well the pieces fall

Now she hardly recognizes herself at allAnd theres never any rain, when you want it

A hollow little game, and youve won it

Looking for a thrill but youve done it all So long, put your blue jeans back on girl

Go home

Remember Hollywoods not America

So long, put your blue jeans back on girl

Go home

Remember Hollywoods not America

Oh yeaAnd everybody here's from somewhere else

You could make a million dollars, but you might lose yourself

And you can take the heat, will your heart go cold?

They say actings just pretending, but even that gets oldAnd theres never any rain, when you want it

A hollow little game, and youve won it

Looking for a thrill but youve done it all So long, put your blue jeans back on girl

Go home

Remember Hollywoods not America

So long, put your blue jeans back on girl

Go home

Remember Hollywoods not AmericaAnd I know what to do when

I know that you

You can be anything you want to be So long, put your blue jeans back on girl

Go home

Remember Hollywoods not America

So long put your blue jeans back on girl

Go home

Remember Hollywoods not America

Hollywoods not America

Its not America
