

I Love You Much Too Much

[Santana](#)

I know it from the start
But yet my love such
I can't control my heart
I love you much too much I ask myself what for
Then darling when we touch
I love you more
Perhaps I hold your heart too tightly but who am I to say
If I should it lightly
It might slip away I love you much too much
We've never really known
I love you oh, so much
I'm yours alone I love you oh, so much
I'm yours alone
