

Just A Friend

Mario

I wanna know your name
And I wanna know if you gotta man
(I wanna know)
I wanna know everything
I wanna know ya number and if I can come over
And I wanna know what ya like
I wanna know so I can do it all night
But you're telling me I'm just a friend
You're telling me I'm just a friend
Oh baby, you got what I need
(Oh baby, you got what I need)
But you say I'm just a friend
(Say I'm just a friend)
But you say I'm just a friend
'Cause I can be your fantasy
('Cause I can be your)
But you say I'm just a friend
(Say I'm just a friend)
But you say I'm just a friend
I wanna know you in and out
I wanna know what you're all about
(I wanna know)
I wanna know what makes you laugh
I wanna know about your past
I wanna know how you move
I wanna know so I can move too
(I wanna know)
But you're telling me I'm just a friend
Telling me I'm just a friend
Oh baby, you got what I need
(Oh baby, you got what I need, yeah)
But you say I'm just a friend
(Say I'm just a friend)
But you say I'm just a friend
'Cause I can be your fantasy
('Cause I can be your, fantasy, yeah)
But you say I'm just a friend
(Say I'm just a friend)
But you say I'm just a friend

(Woah, oh baby you)
Oh baby you got what I need
(Got what I need, yeah)
But you say I'm just a friend
(Say I'm just a friend)
But you say I'm just a friend
(Woah)
'Cause I can be your fantasy
(Fantasy, yeah)
But you say I'm just a friend
(But you say I'm just a friend, girl)
But you say I'm just a friend
(Oh, can you, why)
Give me one reason why
You wouldn't want this kinda guy
'Cause I stay dipped I stay laced
And I know you know I'm fly
Girl, stop playing games wit me
And let's get it on tonight
(Tonight)
You got nothing to lose
Let me do what I do
(What I do)
Oh baby you got what I need
(Got what I need)
But you say I'm just a friend
(Say I'm just a friend)
But you say I'm just a friend
(Just wanna be your)
'Cause I can be your fantasy
(Fantasy, girl)
But you say I'm just a friend
(But you say)
But you say I'm just a friend
Oh baby, you got what I need
(Oh baby, you got what I need)
But you say I'm just a friend
(Say I'm just a friend)
But you say I'm just a friend
(Say I'm just a friend)
'Cause I can be your fantasy
(Can I be your fantasy)
But you say I'm just a friend
(Come on girl)
But you say I'm just a friend

Oh baby, you got what I need
(Oh baby, you got what I need)
But you say I'm just a friend
(Say I'm just a friend)
But you say I'm just a friend
(Say I'm just a friend)
'Cause I can be your fantasy
(Can I be your fantasy)
But you say I'm just a friend
(Come on girl)
But you say I'm just a friend
You can call me anytime you like
(Oh anytime)
It doesn't matter day or night
(Said it doesn't matter)
We can do whatever you
(Ooh)
Wanna do it's up to you
Don't fight the feeling that you feel
(Don't fight the feelin')
I can tell that its real
(Oh girl)
So won't you help me understand
(But you say I'm just a)
Why you say I'm just a friend
(But you say I'm just a, friend)
Oh baby, you got what I need
(Oh baby you)
But you say I'm just a friend
But you say I'm just a friend
'Cause I can be your fantasy
(I can be your, I can be your fantasy)
But you say I'm just a friend
But you say I'm just a friend
(Mario)
