## Bleeding Hearts Syndicate

Ill do anything for you,  
Give you everything,  
And if its not enough  
I will be perfectA time for secrets  
A time for lies  
A time for treason  
A time to wake up  
A time for questions  
A time for answersIll be nice and gentle,  
I will be all right  
I will ask for nothing  
Cos I cant be perfectA time for secrets  
A time for lies  
A time for treason  
A time to wake up  
A time for questions  
A time for answersBut time takes so much time  
Time takes so much timeIm not yet lost
