Let Me Try

Kaleidoscope

You
I'm gonna make it
It's got to break it
I think it's time to educate
You think I'm foolish
But I can do it
If you would let me, let me tryYou
Light casts, it's melting
This world is breaking
And soon the feelings will be gone
Our heart is crying
But I keep trying
Cause maybe soon there can be love
I'm gonna walk my lonely road
If you can follow, let me go
I'll make a free world filled with love
Yeah, a free world
