Hold On (Inspired Edit)

NERVO

Give us, give us a chance
I just wanna hold on,
I just wanna hold on (Hold on)I just wanna hold on
I just wanna hold onHold onI just wanna hold onWaiting (I just wanna hold on)
Waiting for your love
'Cause I can't break away
No I can't make this start
Fading from your touch
Why do I keep us safe
To your distant heartSo won't you give us, give us a chance
I just wanna hold on,
I just wanna hold on
I just wanna hold on
(Hold on, I just wanna hold on)
I just wanna hold on
Just wanna, just wanna, I just wanna
(Hold on)
(Hold on)
Hold onHold on
Hold on, I just wanna hold on
I just wanna hold on
Just wanna, just wanna, I just wanna
Hold on
