

# Where Did I Go Wrong

Steve Wariner

When you told me that you loved me  
I believed every single word you said  
Then you showed me, that you didn't mean it  
That you loved somebody else, instead  
I know you've got a right to find someone new  
Well, I've got a right to feel this way, too Where did I go wrong? Where did he go right?  
And now I'd won the battle if I'd known there was a fight  
I can't stand the thought of never holding you tight  
Where did I go wrong and he go right? There was something all around us  
Like I'd never felt before  
Guess I should've seen it coming  
I was busy comin' back for more  
I know you've got a right to change your mind  
Well, I got a right to be losing mine Where did I go wrong? Where did he go right?  
I know I'd won the battle if I'd known there was a fight  
I can't stand the thought of never holding you tight  
Where did I go wrong and he go right? Where did I go wrong? Where did he go right?  
I know I'd won the battle if I'd known there was a fight  
I can't stand the thought of never holding you tight  
Where did I go wrong and he go right? Where did I go wrong? Tell me where did he go right?  
Where did I go wrong? Tell me where did he go right?  
Where did I go wrong? Tell me where did he go right?
